WHAT IS AN EEOP?

The purpose of an Equal Employment Opportunity Plan (EEOP) is to ensure full and equal participation of men and women regardless of race or national origin in the workforce of the recipient agency. A recipient agency is defined as any state or local unit of government or agency thereof, and any private entity, institution, or organization, to which Office of Justice Programs (OJP) financial assistance is extended directly or through such government or private entity. Recipient agencies that meet all of the following criteria are required to maintain an EEOP on file for review by OJP, if requested (see 28 CFR §42.301 et seq.):

i. Have 50 or more employees; and
ii. Received a total of $25,000 or more in grants or subgrants; and
iii. Have 3 percent or more minorities in service population (however, if less than 3 percent minorities in service population, an EEOP must still be prepared, but must focus on employment practices affecting women only).

Grantees that meet criteria (i) and (iii), and who receive over $500,000 (or $1 million during an 18-month period) are required to submit an EEOP with their Application to the Office for Civil Rights, Office of Justice Programs for review.

An EEOP is a comprehensive document that analyzes the agency's workforce in comparison to its relevant labor market data and all agency employment practices to determine their impact on the basis of race, sex, or national origin. The EEOP includes a written analysis that:

- provides a statistical profile of the internal workforce by race, sex and national origin
- identifies problems in employment practices and procedures.
- specifies corrective action
- forms the basis of ongoing evaluation.

See chart on following pages, "Civil Rights Requirements of Recipients" for types of entities that are exempt from these requirements and for a description of factors affecting requirements to either maintain an EEOP on file or submit an EEOP to OCR.
